

January 11, 1979

LR 4
LB 247 - 254

SPEAKER MARVEL: Have you got any other business? If I may have your attention for a moment, the members of the Public Health and Welfare Committee will meet underneath the north balcony in about three minutes. Senator Cullan has two bills he'd like to have you look over, and possibly will get them in yet this morning. So Public Health and Welfare underneath the north balcony to meet with Senator Cullan.

I have an announcement about the Freshman Senator Orientation scheduled for Friday. It has been postponed and a new date will be announced. Now, Mr. Clerk, do you have other business?

CLERK: Mr. President, I have a report from the Rules Committee. The Rules Committee met Friday, January 5, and acted favorably upon the proposed rule change submitted by Senator David Newell found on Page 81 of the Legislative Journal. That's signed by Senator Fowler as Chairman.

Mr. President, Senator Burrows would like to announce that the bus will leave from the west door of the Capitol at 1:30 to leave for the tour to the Beatrice State Development Center. If anyone has changed their plans for attending, please contact Senator Burrows.

Mr. President, Senator Keyes asks that all members of the Government and Military and Veterans' Affairs Committee meet in Executive Session at 11:30 today in Room 1113.

SPEAKER MARVEL: The Legislature will stand at ease for a few moments. Senator Cullan, I have announced your committee meeting over underneath the north balcony. We will stand at ease a few moments.

EASE.

CLERK: Mr. President, Senator Frank Lewis would like the Executive Board to meet under the south balcony for purposes of accepting a reference report.

PRESIDENT LUEDTKE PRESIDING

PRESIDENT: The Legislature will come back to order.

CLERK: Mr. President, new bills. (Read by title for the first time LB 247 - 254. See Pages 173 to 175 of the Journal.)

Resolution 4, Mr. President. (Read LR 4. See Pages 175 to 176 of the Legislative Journal.) That will be properly laid over, Mr. President.
