

January 15, 1979

they have every day in the week they have a hearing with another committee.

SPEAKER MARVEL: Starting next week, Senator Duis, we will meet at 9:00 o'clock and adjourn at 10:15. There should be adequate time next week or you could do it over the noon hour.

SENATOR DUIS: Oh, thank you very much.

SPEAKER MARVEL: We can discuss this matter for future action with the Exec Board this morning and also when Senator Lewis gets back.

SENATOR DUIS: Well don't misunderstand me. We don't mind having the hearings but I would like to have it in a manner in which the committee members will be able to be there because I believe every committee member of this Administrative Rules Committee has a full five day hearing week now on other committees. So maybe we will need it at noon or in the morning early. Thank you.

SPEAKER MARVEL: I would like to have the attention of the Legislature now. Senator Chambers has a motion. I will recognize Senator Chambers under Miscellaneous Motions. I guess first of all the Clerk should read the motion, then I will recognize Senator Chambers.

CLERK: Mr. President, Senator Chambers moves that the salary heretofore paid to the Chaplain be discontinued immediately. The motion may be found on page 139 of the Legislative Journal.

SPEAKER MARVEL: Is there a second to the motion? Okay, Senator Chambers, the Chair recognizes you.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I will not take much time this morning because during the debate the other day on whether or not there should be a Chaplain, I believe all of the significant issues were discussed, from my side at any rate. In looking over the transcription of that hearing, that discussion on the floor, and by the way a number of ministers have expressed an interest in having a copy so I am having some distributed and perhaps they might see what the Legislature discussed when it decided to have a Chaplain and they will see that it had nothing to do with righteousness and the validity or propriety of one prayer itself. Nevertheless those issues are now a matter of record. What I
