PRESIDENT LUEDTKE: You have the floor, Senator Fitzgerald.

SENATOR FITZGERALD: And I don't like to be interrupted either, sir. I will tell you that right off the bat.

PRESIDENT LUEDTKE: Well if you continue you won't be interrupted if you just keep on speaking.

SENATOR FITZGERALD: All right and I wish to withdraw my motion, after talking to some of my good friends from the agriculture part of the state. I ask unanimous consent.

PRESIDENT LUEDTKE: All right, so you are asking unanimous consent to withdraw your motion? Is there any objection? Senator Reutzel, are you... All right. Any objection? So ordered. We will continue then with agenda item (d). Do you want to read the motion, Mr. Clerk? Oh, all right. The Chair recognizes Senator Reutzel.

SENATOR REUTZEL: Mr. President, members of the body, I ask unanimous consent to withdraw the motion.
