

it the way it is, then I will withdraw my objection.

SPEAKER MARVEL: Senator Koch, do you wish to be recognized?

SENATOR KOCH: Mr. Speaker, just a point...object lesson. Recently I was absent and I had a yellow bus bill here. I figured there would be a courtesy extended that day also until I returned, but the body saw fit by 25 votes to put the yellow bus back to the hearing again. But I do respect your decision, but I would only hope that this courtesy that we're talking about this morning is extended throughout the session. If Senator Dworak can't get back, another little humor would be he should have taken Amtrack, they'd get him here some time.

Are you up in this balcony right...will you stand up so we can recognize you? Senator Wesely. Is Senator Wesely in the room? We are ready to go to Select File #8. Senator Wesely, we are on item #8 Select File.

SENATOR WESELY: Thank you, Mr. Speaker and members of the Legislature, I move the E & R amendments to LB 146. (See Page 633 of the Legislative Journal.)

SPEAKER MARVEL: Is the motion to advance the bill? Are there... okay, the motion is the adoption of the E & R amendments to LB 146. Go ahead, Senator Wesely. The motion is to adopt the
