LB 102

SENATOR NICHOL: Yes, Mr. Speaker. This isn't in the Journal. Right? Now this is just a little housekeeping bill but it is two pages long. Gee, I would kind of like to have a look at it for a little bit before we are asked to vote on it. Maybe it is perfectly okay.

SENATOR DeCAMP: You know I would never...

SENATOR NICHOL: I trust you, John, you know that.

SENATOR DeCAMP: Well sure. Trust me, it is okay.

SENATOR NICHOL: I hate to on a two page one.

SENATOR DeCAMP: It is the little short ones you have got to watch out for. The two page ones are not that dangerous. You might ask any of the other lawyers whether they think it needs to be done. It is a procedure that we need to get done whether you want to....

SENATOR NICHOL: Senator DeCamp, the lawyers in the group had an amendment in the other day that was really bad.

SENATOR DeCAMP: No.

SENATOR NICHOL: Yes.

SENATOR DeCAMP: No, not the lawyers.

SENATOR NICHOL: Well we changed our mind on it the next day so it must have been bad.

SENATOR DeCAMP: No, no, no, lawyers would never do that. You know lawyers are the noblest creatures on earth and all that. This is okay.

SENATOR NICHOL: Thank you. Mr. Chairman....

SPEAKER MARVEL: Senator Nichol has the floor.

SENATOR NICHOL: I would like to have a look at this for a day or so before we vote on it.

SPEAKER MARVEL: The motion at the moment is the adoption of the DeCamp amendment. Is there any further discussion? If there is no other discussion all those in favor of the DeCamp amendment vote aye, opposed vote no. Have you all voted? We are voting on the DeCamp amendment to LB 102. Have you all voted? Need 25. Have you all voted? Okay, record the vote.
