

March 14, 1979

LB 112

vehicles that are overwidth that spread fertilizer, chemicals, spray, what have you. The ones I think generally that are thought of as Big As are three wheel concern with huge tires on them and there is also vehicles that are four wheels that have huge tires on them. The only thing that makes them illegal is the width. What we are talking about on the trucks, the length, so I really can't see the difference and I think this is a good place to take care of this problem. Thank you.

SPEAKER MARVEL: Senator Dworak, do you wish to speak to the point before us?

SENATOR DWORAK: Senator Cullan raised a point of order to the Speaker for a ruling on whether we have got two subject matters on the bill or not, Mr. Speaker? That appears to be the issue and I am not sure that is debatable. I think we are waiting for you to make a ruling as to whether we have got two subject matters on a bill, if I understood Senator Cullan raising a point of order.

SPEAKER MARVEL: Okay, you are raising a point of order, the point of order. Okay.

SENATOR DWORAK: I am asking you for a decision on Senator Cullan's point of order, Mr. Speaker.

SPEAKER MARVEL: After due consultation, we find that the bill goes to Chapter 39, the amendment goes to Chapter 60, therefore, the Chair rules that the amendments are not germane and therefore out of order. Are there other, Senator Kremer, do you have other amendments? Senator Kremer, do you have other amendments to the bill?

SENATOR KREMER: No, sir, I do not.

SPEAKER MARVEL: Are there other amendments to LB 112?

CLERK: Mr. President, Senator Chambers moves to amend and his amendments are on page 784 of the Journal.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, those of you who are interested in this discussion that I am about to undertake will find the amendment on page 784 of the Journal as was stated by the Clerk and what it does is to make the bill comply with what was stated as the intent of it, that is to say, Senator Vickers are you here somewhere, that the increased length will apply only to trucks carrying agricultural products, and if that
