SENATOR DWORAK: If I have time, Mr. President, I would like to ask one more question and that is the source of the money from the counties and the cities, whether that is general fund money or whether that is gas tax money they receive, whether that money is earmarked.

SPEAKER MARVEL: Senator Cullan, we will allow you another thirty seconds. You are out of time though.

SENATOR CULLAN: I am not sure of the answer, Senator Dworak. I can't answer your question.

SENATOR DWORAK: Thank you.

SPEAKER MARVEL: Senator Cope.

SENATOR COPE: Mr. President and members, a question of Senator Cullan.

SPEAKER MARVEL: Senator Cullan.

SENATOR CULLAN: Yes.

SENATOR COPE: Senator Cullan, of the \$2,250,000 in fiscal note for seventy-five signals, how much of that is going to be general funds?

SENATOR CULLAN: Excuse me. Is there a fiscal note with this bill?

SENATOR COPE: Well it had a fiscal... On the back of the pink page. That seventy-five signals or thirty signals at \$75,000.

SENATOR CULLAN: Excuse me. I didn't hear your question, Senator Cope.

SENATOR COPE: The question of the \$2,250,000 yearly, how much of that is going to be general funds?

SENATOR CULLAN: None of it would be state general funds.

SENATOR COPE: None of it?

SENATOR CULLAN: None of it would be state general funds. It would either be gas tax or federal funds would be used for those state participation.

SENATOR COPE: Have any idea of the percentage of gas tax and the federal funds of which...?
