LB 23

the law that allows for a learner's permit for a fifteen year old and I have often wondered how the fourteen year old was supposed to learn but they seem to have a way of doing it. We don't have any problem with it. I suppose if you took all the ten and eleven year olds off the county roads out there that are learning we really would have a problem then, Senator Kelly, but I think there are no problems at this point in time and I simply urge this body to accept Senator Beutler's amendments because I think they are very very good and I will endorse also what Senator Wesely said. Without these amendments I cannot accept the bill.

SPEAKER MARVEL: Senator Chambers.

SENATOR CHAMBERS: Mr. Chairman and members of the Legislature, I was upstairs doing some important work minding my business and I hear Senator Kelly make a remark down here that the Legislature does not pass or should not advance illogical bills. Senator Kelly, you have been voting aye on LB 316, the abortion bill, haven't you?

SENATOR KELLY: Yes, sir.

SENATOR CHAMBERS: I would like you to read another Attorney General's opinion and either you be consistent this morning and vote for this illogical bill or you be consistent tomorrow and not vote for 316.

SENATOR KELLY: The only thing in this world that is constant is inconsistency.

SPEAKER MARVEL: Senator Johnson.

SENATOR JOHNSON: Mr. President, I call the question.

SPEAKER MARVEL: The question has been called for. We have got five hands. Shall debate cease? All those in favor vote aye, opposed vote no. The motion is on ceasing debate. Record.

CLERK: 25 ayes, 0 nays to cease debate.

SPEAKER MARVEL: Debate ceases. The Chair recognizes Senator Beutler. We are on committee amendments. The motion is to adopt the committee amendments to LB 23. Do you have any other comments to make?

SENATOR BEUTLER: Mr. Speaker, I don't wish to make additional comments. I would move that the amendments be adopted.
