LB 508, 577

you all voted. We are voting on Senator Warner's motion to return LB 577 to Select File. Record the vote, Mr. Clerk.

CLERK: 28 ayes, 0 nays on the motion to return, Mr. President.

PRESIDENT: Motion carries and LB 577 is returned to Select File. We will then take it up under agenda #7 when we get down to... Speaker Marvel, the Clerk said that you just as well proceed with it at this point. Is that agreeable? All right, if there are no objections we will proceed and handle it at this point. Senator Warner, do you...? Yes, do you just want to move its adoption and we will proceed with it and see if there is any more debate. The Chair recognizes Senator Warner for the purpose of moving the adoption of the amendment.

SENATOR WARNER: Mr. President, I move that the amendment be adopted. As I indicated, it corrects the amendment that was adopted the other day to make the correct total appropriation for the agency. It has the effect of adding \$52,000 to what I told you was in the amendment the other day but it is what is required to meet the Workmen's Compensation obligations of the state. The total, I should mention, was approximately \$190,000 of general fund in it then and \$87,000 of cash fund.

PRESIDENT: All right, any further discussion? Motion then is the adoption of the amendment to 577 on Select File. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 28 ayes, 0 nays on the adoption of Senator Warner's amendment.
