

March 20, 1979

LB 544

find the particular statute that they would be using and incorporate in the bill simply by section, by reference by section number, Senator.

SENATOR KREMER: Okay, we'll see that that is done.

SENATOR MURPHY: Thank you.

SENATOR KREMER: If the bill moves on, we'll see that some research is done on that. Thank you.

SPEAKER MARVEL: The motion is the advancement of the bill as amended. All those in favor vote aye, opposed vote no. Excuse me, Senator Burrows, I overlooked you. I'm sorry. Do you have a question of Senator Kremer?

SENATOR BURROWS: Question of Senator Kremer.

SPEAKER MARVEL: Senator Kremer, will you yield?

SENATOR BURROWS: Where...in the first part of the bill where it strikes the ten acres or more surface pond, does that refer to all dams on all farms that have been maybe put up by a farmer's expense that might even be less than an acre, that now...

SENATOR KREMER: This is right, but it raises that to a... to fifteen acres.

SENATOR BURROWS: Well it doesn't...

SENATOR KREMER: Oh yes, you mean the...yes...

SENATOR BURROWS: It does on the annual inspection.

SENATOR KREMER: That's right...

SENATOR BURROWS: But under this...

SENATOR KREMER: Not annual inspection, no.

SENATOR BURROWS: Even a one acre pond then, the farmer is required if he put it up with his own expense to keep that dam up, is this intended?

SENATOR KREMER: It just says that they shall keep it in good repair.

SENATOR BURROWS: So if he's put up a one acre dam, he is
