LB 101A

So pass this bill. Send it on across and it will be held up on Final Reading and if there is not enough money to fund every bill on Final Reading we will pick the priorities and I will offer an amendment to cut this one if it needs to be if the money isn't there. Support Senator Bernice Labeledz on this and let's get the bill across in the next minute and a half.

SPEAKER MARVEL: Senator Venditte.

SENATOR VENDITTE: Mr. President, members of the Legislature, I call for the question.

SPEAKER MARVEL: The question has been called for. Do I see five hands? I see five hands. The motion is to cease debate. All those in favor vote aye, opposed vote no. The motion is to cease debate. Have you all voted? Record.

CLERK: 25 ayes, 3 nays to cease debate, Mr. President.

SPEAKER MARVEL: Debate has ceased. Senator Labeledz, do you wish to close? We are on 101A.

SENATOR LABEDZ: Thank you, Mr. Speaker. I know there are probably some more questions and I would appreciate very much, I have all the information here but I was very anxious to get this bill to move across, so if there are anyone in this body that would like to ask me any questions about where the money is going, how it is going to be spent, I have the information here. Most of the services will be by contract. There will not be any interpreting services. They are paid by the month or on the staff contantly. It will be contracted so much per hour. I will also tell Senator Hefner that I will be talking to the people that are involved with this commission. I will mention the fact that you wouldlike to see it cut down by \$50,000. If there is any way possible that we can do that I assure you that it will be done and you can offer your amendment at a later date. I move for the advancement of LB 101. Thank you.

SPEAKER MARVEL: The motion is the advancement of LB 101A to E & R for review. All those in favor vote aye, opposed vote no. We are voting on 101A, advance to E & R for review. Have you all voted?
