LB 331

SPEAKER MARVEL: The motion at the moment is the adoption of the committee amendments to LB 331. All those in favor of that motion vote aye....I am sorry.

SENATOR KEYES: Senator Marvel. Senator Marvel. Okay, now then Senator Murphy will explain his amendments and we will adopt them both at the same time. I explained Senator Chambers amendment and now Senator Murphy can explain his.

SPEAKER MARVEL: Senator Murphy.

SENATOR MURPHY: The occasion for the additional amendments was the result of several discussions that Bruce Cutshall and I got into after presenting the initial draft. This is a bill that Mr. Cutshall took home with him on two different weekends in order to confirm his research on some of the proposals and locating some of the information that had to be incorporated in this section. They do not in any substantive way alter the bill. It is a matter of having moved certain material from a section dealing with county commissioners to a section dealing with county supervisors and to correct throughout the bill the provision that the appointive board for county supervisors rather than be the clerk, the treasurer and the county judge, would be the clerk, the treasurer and the county attorney and the thought, although it is not any heart-rending thing, the thought is that inasmuch as this is the appointive panel for the commissioner form of government it should be the appointive panel for the other form of county government, namely, supervisors and we took the county judge out to eliminate the judiciary from the executive branch of county government. The...I guess maybe that would account for the amendments, for the amended form of the bill. It was just a matter of reworking the details of the bill as the bill drafter and I proceeded through it a line at a time and I would move the adoption of the committee amendments totally.

SPEAKER MARVEL: What is the status of the two sets of amendments? We are dealing with the committee amendments to LB 331, is that right? Okay. All those in favor of adoption of those amendments vote aye, opposed no. We are voting on the committee amendments to LB 331. Have you all voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President, on adoption of the committee amendments.
