LB 505, 59

Record.

CLERK: 25 ayes, 0 nays on the adoption of Senator Simon's amendment.

SPEAKER MARVEL: The motion is carried. The amendment is adopted. Senator Wesely, LB 505 to E & R for engrossment.

SENATOR WESELY: I move for the readvancement of LB 505 to E & R for engrossment.

SPEAKER MARVEL: All in favor of that motion say aye, opposed no. Motion is carried. The bill is readvanced. Now we are ready for Senator Koch's motion in regard to LB 59. The Chair recognizes Senator Koch.

SENATOR KOCH: Mr. Speaker, members of the body, LB 59 was on Final Reading and in checking it I found that there was an error and it was redundant material. I think the amendment is printed in the Journal, is it, Mr. Clerk, or is it not?

CLERK: Senator, your amendment is on page 1261 of the Journal.

SENATOR KOCH: And what I am doing there is to, on page 2, line 8, inserted an underscored period after the word "school" and strike the rest of the sentence including that which was reinstated and show as stricken because we have in section 4, the same provision. So for us to have that in this section merely causes some confusion. So I am requesting that that matter be inserted and a certain matter be stricken so that the bill now then would read with a degree of clarity when it comes to its application. So move for the adoption. Mr. Chairman, I move for the return of LB 59 to adopt the specific amendment.

SENATOR NICHOL PRESIDING

SENATOR NICHOL: All those for returning please vote yes, opposed no. Record, Mr. Clerk.

CLERK: 25 ayes, 0 nays on the motion to return, Mr. President.

SENATOR NICHOL: The bill is returned. Senator Koch.

SENATOR KOCH: Mr. Chairman, I move for the adoption of the amendment which I explained just a moment ago.
