LB 101

in the union.

SPEAKER MARVEL: One minute.

SENATOR NEWELL: And what I am saying is that we ought to get this thing together. What we ought to do is try to anticipate some problems, to anticipate, you know, the additional costs that new commissions are going to provide and for that reason I think this makes infinitely good sense and I would hope that those of you who realize that this is the proper way to go will have the courage to vote for it because if we don't do it now we won't do it. If we don't do it now we are going to duplicate the mistake and duplicate the mistake and duplicate the mistake. For that reason I ask your support. This is a serious amendment. It can work and it will work if we have 25 votes.

SPEAKER MARVEL: The motion is the Newell amendment to LB 101. All those in favor vote aye, opposed vote no. Have you all voted? Have you all voted? We are voting on the Newell amendment to LB 101. Once more, have you all voted? Senator Newell, I am going to call for the question.

SENATOR NEWELL: I would like to have a Call of the House. Excuse me, it may be a roll call vote.

SPEAKER MARVEL: The question is, shall the House go under Call? All those in favor vote aye, opposed vote no. Record. The question is, shall the House go under Call? Record. Record the vote.

CLERK: 15 ayes, 12 nays to go under Call, Mr. President.

SPEAKER MARVEL: The House is under Call. All legislators please take their seats. Record your presence. Unauthorized personnel leave the floor. Who is excused now? Senator Murphy, will you record your presence? Senator Warner, Senator George, Senator Cope, Senator Fowler, Senator Schmit, Senator Hasebroock, Senator DeCamp, Senator Brennan, Senator Marsh, Senator Duis, Senator Nichol, Senator Pirsch. Have you all recorded your presence? Senator Schmit, would you please record your presence. Is Senator Venditte here? Are you ready for the roll call? We are down to one and we have got about four absent. Call the roll.
