SENATOR HEFNER: Mr. President, I have one question of Senator Warner if I may. On page 12, Program 928 deals with the Niobrara State Park. What is the status of that and where do I get information for this particular program?

SENATOR WARNER: I think that's some money that is in there for the acquisition of some land. To the best of our knowledge, it is still in progress. This is just the reappropriation of last year's appropriation for that.

SENATOR HEFNER: Okay, last year's?

SENATOR WARNER: Yes, last years.

SENATOR HEFNER: Is this the money that was received from the Corp of Engineers for the old park?
