LB 398

SPEAKER MARVEL: 1453?

SENATOR NICHOL: 1453.

SPEAKER MARVEL: What about 1069? 1069 are the committee amendments.

SENATOR NICHOL: Yes.

SPEAKER MARVEL: Senator Lewis.

SENATOR LEWIS: Mr. President, the numbers in 1453 replace those in 1059. We have struck the original dollar figures in the committee amendment and inserted the language in 1453.

SENATOR NICHOL: That is correct, sir. So that is the judges salary as it stands at the moment and I would move for the adoption of the committee amendments.

SPEAKER MARVEL: Can we get this straight once more so everybody can follow it? You are now dealing with the figures on page 1453. Is that correct?

SENATOR NICHOL: That is correct.

SPEAKER MARVEL: And the motion is to adopt the amendments on page 1453 which are the Lewis amendments to the committee amendments?

SENATOR NICHOL: That is right. The committee amendments now are augmented by the Lewis amendments to the amendments which were adopted this morning.

SPEAKER MARVEL: Senator Lewis.

SENATOR LEWIS: Mr. President, the motion before the House is the committee amendments as amended.

SPEAKER MARVEL: Senator Rumery, do you wish to speak to the motion before the House which is the adoption..., Senator Lewis, it is the adoption of the committee amendments as amended by your amendments. Okay. Senator Rumery.

SENATOR RUMERY: Mr. President, members of the Legislature, I would like to ask Senator Nichol a question if he would respond.
