LB 348

friends of mine in the industry. It no longer is going to do them any favors. This bill is one of the...it does legalize the tow-in of automobiles but it also provides a great number of consumer protections. Those consumer protections were just added with the Fowler amendment and he explained them so eloquently a moment ago. Basically what happens is this. If, in the course of towing your automobile they touch, dent, well not touch, do anything they will then be subject to lawsuits and a Class IV misdemeanor. Still probably better than not having a law so I move the advancement of the bill.
