

and say look, this is not what is occurring and here is what you need to do not for Myron Rumery or not for Frank Lewis or Martin Kahle but long term investment of people serving, there is nothing as disarming as the truth. There is nothing as disarming as the truth. I think that you have got to be truthful to people in terms of where we are. I adamantly oppose taking the judiciary out of here. We have gone through this every single, single year. Some guy is mad at a district judge, some guy is angry at a muni judge, some guy doesn't like what the supreme court chief justice does. So we start doing that in terms of salaries. The obvious question is what is the monetary value of the chief justice of the supreme court and what should that position pay? Not that Norm Krivosha is serving in it now. What should the Sarpy County District Court judge get, not that Ron Reagen is serving in it now. What should the county court be entitled to, not that Judge Campbell from Sarpy County is serving in it. What should a muni court judge get not that Judge Ryan is serving in it. You know somebody has got to make those determinations. I have never seen, never seen more politics played with salary other than the legislature than we do with the judges. If we are going to have this kind of a commission and the people approve it, then lets have it or lets not have it. There are going to be some days that I think Charley Thone is not entitled to \$40,000 that I voted for.

SPEAKER MARVEL: You have one minute.

SENATOR LEWIS: But certainly the office of governor is entitled to that kind of money. Either you have a commission or you don't. I am prepared with my amendments to take the other two out and we will see the vote on this one.

SPEAKER MARVEL: Senator Reutzel.

SENATOR REUTZEL: Question.

SPEAKER MARVEL: The question has been called for. Question before the House shall debate cease. Do I see five seconds? Okay, all those in favor of ceasing debate vote aye, those opposed vote no. Have you all voted? Record.

CLERK: 26 ayes, 3 nays to cease debate, Mr. President.

SPEAKER MARVEL: The debate is ceased, the Chair recognizes Senator Newell for purposes of closing his amendments to the committee amendments. Senator Newell.
