

April 25, 1979

LB 174A

have affected the vote.

PRESIDENT: The Chair will clarify that. I was presiding and that is exactly what happened. We are now beginning to consider bills that the chairman of the Appropriations Committee will advise this body, pursuant to our rules, those bills which require 30 votes because they do not come under... they were not in the Governor's budget. This happens to be one that came up early, no one checked it and that was the reason it slipped by. So, I hope that that answers your question Senator Venditte. Any further discussion? Senator Cullan do you wish to.....Senator Cullan do you wish to close? All right, the motion then is the reconsideration of LB 174A. This will require 30 votes. All those in favor vote aye, those opposed vote nay. Have you all voted?

SENATOR CULLAN: Mr. President, I would ask that...

PRESIDENT: Call the House?

SENATOR CULLAN: Call the House.

PRESIDENT: All right, unfortunately I guess it is about the only way you will get it to go. Motion is for a Call of the House. All those in favor vote aye, those opposed vote nay. Motion is to Call the House. Record the vote.

CLERK: 18 ayes, no nays to go under Call, Mr. President.

PRESIDENT: House is under Call. The Sergeant at Arms will again bring in all the members of the legislature. They will return to their desks and all members will register their presence at this time. Senator Cullan, you wish to have a roll call vote then when we get everybody here? All right, thank you, Senator Cullan. House is under Call. All non-legislative personnel will leave the floor. All members will return to their desks and register their presence. Again I remind you that the House is under Call. All members of the legislature will return to their desks and register their presence, after which we shall have a roll call vote. The question is the reconsideration of 174A. Senator Haberman, Senator Newell, Senator Hoagland, Senator Dworak, Senator Keyes, I see you. We are under Call right now. We are going to have a roll call because we are about eight votes short. We are going to have a roll call, Senator Koch. He says that he wants a roll call vote. Ready, are you ready, Senator Cullan, for the...we still have a couple missing.
