LB 69

Some of you are saying, ah ha, the Senator from Ogallala doesn't know that four wheel drive pickups have replaced ponies. Well, this isn't true because a four wheel pickup will get stuck, a pony won't. A pickup will use gas and oats are a lot cheaper. In a storm a pony will take you home and a pickup will get stuck. A pony becomes a part of the family. You love your pony but sometimes when this pony is going across the pasture it steps into a badger hole and it breaks its leg. So you look down at your faithful old pony, there are tears in your eyes, and you only have one thing left to do. You have to take your 30-30 and you have to kill your pony. This bill has been around three or four years. We have hashed it this year, we have been lobbied, we have been loved, we have been cussed, and I would suggest to you that we take this old pony, LB 69, and kill it. Thank you, fellow legislators.

SPEAKER MARVEL: No demonstration. We can't even demonstrate ourselves. All those in favor...the motion before the House is indefinite postponement of LB 69. All those in favor of that motion vote aye, opposed no. It takes a majority of those voting. Have you all voted?

SENATOR HABERMAN: Mr. President.

SPEAKER MARVEL: Yes, Senator Haberman.

SENATOR HABERMAN: A Call of the House and a roll call vote please.

SPEAKER MARVEL: A Call of the House has been requested. Clear the Board. The question is shall the House go under Call? The House is under Call, Senator Haberman. Is everybody in their seats? Okay, call the roll. Excuse me. All legislators must be in their seats before we proceed with the roll call. The roll call vote is on the indefinite postponement of the bill, that is the motion. If you are in favor of indefinite postponement vote aye, opposed vote no. Call the roll.

CLERK: Roll call vote taken. (See Page 1679, Legislative Journal.)

SPEAKER MARVEL: Before the Clerk announces the vote, I would remind you that after this we have approximately forty minutes of Final Reading before we recess.

CLERK: 16 ayes, 24 nays on the motion to indefinitely postpone.
