LB 356

SENATOR KELLY: Mr. Speaker, I move the adoption of the specific amendment to LB 356.

SPEAKER MARVEL: Senator Duis.

SENATOR DUIS: I need another question of Senator Kelly. Senator Kelly, didn't we have a bill in our committee for this particular purpose and now aren't they trying to put it on this?

SENATOR KELLY: Not to my knowledge.

SENATOR DUIS: Maybe I had better ask...

SENATOR KELLY: Ask the Chairman.

SENATOR DUIS: ...Senator George. Senator George, didn't we have a bill in our committee this way and didn't come out of committee and now it is coming by amendment?

SENATOR GEORGE: I'm not sure. Could you repeat that question please?

SENATOR DUIS: Did we have a bill in Urban Affairs Committee for this \$10,000 without bids.

SENATOR GEORGE: For estimates.

SENATOR DUIS: Well the estimates, we got it out here. Now it is on the bid situation.

SENATOR GEORGE: No, I don't think we have this session anything on bid situation. We did have that last session but the bill right now is just on the lower limit of the estimate.

SENATOR DUIS: No, this bill is, yes, but the amendment now is to allow that much without bids.

SENATOR GEORGE: I don't know. Was this a question to me or Senator Kelly? I....

SPEAKER MARVEL: The question was directed to you, Senator George.

SENATOR GEORGE: I still don't think...

SENATOR DUIS: I think it was Government Committee then that this came into but I see that Senator Keyes isn't here so I won't be able to ask him the question.
