LB 588

CLERK: 26 ayes, no nays, Mr. President.

SPEAKER MARVEL: Motion carries, amendment is adopted.

CLERK: Mr. President, I have a second committee amendment and that one is on page 1450 of the Legislative Journal.

SENATOR WARNER: Mr. President, members of the Legislature, I didn't realize which one the Clerk was taking. This one was the one that I explained previously. The one that we have already adopted was not what I said. It was a transfer within the legislative council appropriation, no additional money. It took out some of the funds and put into program 128 which was the Revisor of Regulations budget and set that into a separate program as opposed to being in the I believe that it was in the research program of the Legislative Council. This is with I believe with the concurrence of the Exec Board. I'm not quite sure how to move this, Mr. President.

SPEAKER MARVEL: We already adopted one amendment to LB 588? This is the second one.

SENATOR WARNER: Yes, which was not what I explained. I looked at the wrong page number.

SPEAKER MARVEL: You have explained both of them now.

SENATOR WARNER: Yes, sir.

SPEAKER MARVEL: Okay, we are ready for the adoption of the second amendment.

SENATOR WARNER: That would be fine, Mr. President.

SPEAKER MARVEL: All in favor of adoption of amendment number two, committee amendment number two to LB 588 as found on page 1450 vote aye, opposed vote no. Have you all voted? Have you all voted? Second committee amendment to LB 588. Record.
