

May 4, 1979

LB 591

the definition of that is this, it is a kid, it is a kid that killed his mother and father and threw himself on the mercy of the court because he was an orphan. That is a good analogy of what we do if we do not take this \$475,000 out of the University's budget. Now I have it on some pretty good authority that it doesn't need to be replaced, that they can live without this money. It is not even going to cause a problem and it is the kind of thing that is the only way that we can signal to the University that we will have something to say about the appropriations process other than just paying them a blank check.

SENATOR NICHOL PRESIDING

SENATOR NICHOL: Time is up. Senator Fitzgerald, is your light turned on? Okay. You have heard the closing by Senator Newell on the Murphy-Newell amendment and we will vote on that now. All those in favor vote aye, opposed nay.

SPEAKER MARVEL PRESIDING

SPEAKER MARVEL: Have you all voted? Senator Newell.

SENATOR NEWELL: Need a Call of the House. This is an important issue. Maybe we can wait a second or two. It is coming along.

SPEAKER MARVEL: Have you all voted? We are voting on the Murphy-Newell amendment to LB 591. Okay, Senator Newell, do you want a Call of the House? We have got to keep moving. We haven't got time to stop and caucus.

SENATOR NEWELL: A Call of the House.

SPEAKER MARVEL: The question is, shall the House go under Call? All those in favor vote aye, opposed no. These bills are important but if we don't keep moving we are going to have midnight sessions. Now if that is what you want as an alternative, fine. We are going to have it one way or the other if we are going to get through the work. Record.

CLERK: 24 ayes, 1 nay, Mr. President.

SPEAKER MARVEL: The House is under Call. All legislators take their seats. Record your presence. All legislators take your seats and then we will allow call in votes. Senator Landis, Senator Beutler, Senator Dworak, Senator Lewis, Senator Chambers, Senator Nichol. Are you ready to go, Senator Newell, on a roll call vote? Senator Newell,
