LB 86, 569, 596

is a proviso that the word "secrets" would appear in that line 25. People think I know everything. This is hurting my reputation when I can't even find a word when I have the number of the line where to find it.

SPEAKER MARVEL: Senator Murphy, it is my suggestion that we lay the bill over and that you...are you ready?

SENATOR MURPHY: If Senator Chambers is, yes. On page 1830, I believe.

SENATOR CHAMBERS: Mr. Chairman, I am not trying to delay this bill but I want to know what we are dealing with when we talk about records and like I say he can get his votes but I am not going to vote on these amendments until I know what is being done.

SENATOR MURPHY: Mr. Speaker, in order to bring this together, I would accept your suggestion that we close up shop and proceed. We do have this but I am sure Senator Chambers would be uncomfortable and that I would not want. I am agreeable to discontinuing it and proceeding with it at a later date.

SPEAKER MARVEL: I think it would be helpful if you and Senator Chambers could get together and at least discuss the amendments. You may not agree on them but at least so that everybody is alerted to them.

SENATOR MURPHY: Yes, I concur. Thank you.

SPEAKER MARVEL: Okay. Do you have anything else on the desk?

CLERK: Mr. President, Senator Newell, Landis and Wesely would like to print amendments to LB 569; Senator Koch would like to print amendments to LB 596.

Senator Johnson asks unanimous consent to be excused Monday, May 7, Mr. President.

SPEAKER MARVEL: Senator Wagner, would you like to adjourn us until nine o'clock, Monday morning.

SENATOR WAGNER: I move we adjourn until nine o'clock Monday morning.

SPEAKER MARVEL: I am sorry. Senator Cullan, excuse me. Can you hold that motion just a minute. Senator Cullan
