LB 120, 285, 382

get those motions in before we adjourn on the 16th of May, it will be impossible to get them on the agenda for those final two or three days. So, first of all, Special Order tomorrow LB 262, appropriation bill amendments in before noon tomorrow, or by noon, and any motions you may have please see that they're in our hands before we adjourn on May 16th, so that they can be on the agenda for May 21st. If any of you have any questions, we will be glad to try to answer them sometime during the rest of today's activities. Now, Mr. Clerk, do you have any items you want to read in to the record before we proceed?

CLERK: Mr. President, just briefly, Senator DeCamp would like to print amendments to LB 120.

SPEAKER MARVEL: Is that it?

CLERK: Yes, sir.

SPEAKER MARVEL: Senator Kennedy, you had your light on, did you wish to ask a question? Okay. Senator Carsten, do you wish to be recognized?

SENATOR CARSTEN: Mr. President and members of the Legislature, I just wanted to ask the Chair a question for clarification. We had asked that 285 be expedited, and in lieu of that request, and should it be granted, do we need a motion to suspend the rules to read it on Final Reading ahead of time?

SPEAKER MARVEL: Not until that morning, Senator.

SENATOR CARSTEN: But that morning, whenever it does come up, we will need...is that...okay.

SPEAKER MARVEL: Yes, that's fine. Yes, sir. We now move to Item #9, which is Select File, and the...we're going to take up LB 382, and we're talking about a 30 minute time limit. Do you want me to recognize you first, Senator Venditte?

SENATOR VENDITTE: Mr. Speaker, just as a...as we're going to be proceeding here this afternoon with the 30 minute time limit, I understand there are three or four or five amendments, what happens at the end of 30 minutes, Mr. Speaker?

SPEAKER MARVEL: You mean if your bill hasn't been processed?
