SPEAKER MARVEL: Yes, sir.

SENATOR VENDITTE: The reason why I asked that very question of the Chair, Mr. Speaker, was marijuana is today considered by federal law as to be an illegal narcotic, and laetrile has not been designed or it has not been given that label, and under those...for those reasons, Mr. Speaker, that's why I asked for the germaneness of the bill. We're now speaking to the Murphy amendment... I'm sorry, to the DeCamp amendment. Excuse me.

SENATOR DWORAK: Well, Mr. President and colleagues, I think Senator DeCamp's amendment, whether it's absolutely
