LB 365

bill vote aye, opposed no. Have you all voted? Clerk, record the vote. Yes.

SENATOR FITZGERALD: (Mike not turned on.) ...He lost but I want him to eat his record.

SPEAKER MARVEL: Are you calling for a record vote or are you calling for a roll call vote or what?

SENATOR FITZGERALD: Yes, if we have got so much time here to play today, messing around, the Omaha sales tax which is dear to my heart, I love the city up there and we need it. It's a necessity. If these fellows think they are ball players, we could use them out at the ball field tonight instead of playing the ball game here and I am getting a little tired wasting my time. So let's start getting a vote and Simon would like to have it. I would like to have a record vote so Mr. Simon can put this in his record.

SPEAKER MARVEL: All right, a record vote has been called for.

CLERK: (Read record vote found on pages 1986-1987 of the Legislative Journal.) 14 ayes, 26 ayes (sic), 9 not voting, Mr. President.

SPEAKER MARVEL: Okay, the motion lost. Are there other motions on the desk?

CLERK: Mr. President, Senator Newell moves to return LB 365 to Select File for specific amendment. Is this...? Senator, I'm not sure. Are you returning to Select for a specific amendment or are you bracketing? I'm not sure...

SENATOR NEWELL: I would like to bracket the bill.

CLERK: Senator Newell moves to bracket until May 16, 1979, Mr. President.

SENATOR NEWELL: Mr. President...

SPEAKER MARVEL: The motion is the request to bracket 365 until May 16.

SENATOR NEWELL: Can I change that to Tuesday? I think that would be a better day. The 15th.

SPEAKER MARVEL: All. . Are we ready? Senator Chambers,
