LB 591

but the Chair will allow a comment by Senator Murphy and Senator Reutzel and then we will proceed with 591. Senator Murphy, for what purpose do you arise?

SENATOR MURPHY: A question of Senator Keyes.

SPEAKER MARVEL: Senator Keyes.

SENATOR MURPHY: You say Senator Schmit is on his way?

SENATOR KEYES: Yes, he is on his way.

SENATOR MURPHY: And the occasion for his lateness is the delivery of the calf and the cow is shaking her head. Was she shaking it yes or no?

SENATOR KEYES: No, that was just something that passed through my mind because of the fact that there are important things in this world that a man has to take care of and, Senator, we are ready to go with 585 if we have to but I would rather give Senator Schmit the opportunity to come and prepare himself for gasohol as he has worked very diligently for about eight years on gasohol.

SPEAKER MARVEL: Senator Reutzel.

SENATOR REUTZEL: Mr. Speaker, members of the body, I don't know if the question is in order but I would like to pose a question of Senator DeCamp or Senator Warner concerning some of Senator DeCamp's remarks I guess with the budget. If we should go ahead with the proposals of Senator DeCamp's, then what type of increase are we looking at in the budget then?

SENATOR DeCAMP: I believe Senator Warner will explain it somewhere between 6.5 and 7 and that would be with my taking out the \$10,000,000 and I repeat, I would voluntarily move and I think a number of people are willing to support this if the rest goes, to take out that \$10,000,000.

SENATOR REUTZEL: Okay, thank you.

SPEAKER MARVEL: Okay, we are ready for the amendments to LB 591. Mr. Clerk.

CLERK: Mr. President.

SPEAKER MARVEL: Excuse me? Is the number on the board?
