LB 378

at this point? We have some motions. The Clerk has some motions on the desk, as you know.

SPEAKER MARVEL: Are you asking me whether we should take motions or proceed with the resolutions?

PRESIDENT: That's correct, whether we should continue with the motions...

SPEAKER MARVEL: If the motions have not been processed... well, let me come up there and visit with you.

PRESIDENT: All right, we will stand at Ease until the Speaker takes a look at the motions that are on the desk. We're at Ease.

EASE

PRESIDENT: The Chair recognizes Speaker Marvel for purposes of explaining what the procedure will be with regard to the motions on the desk and the effect of them because of the problem with the machine. Speaker Marvel.

SPEAKER MARVEL: It's my understanding that you have processed all of the motions that have gone through the E & R. Is that right, Mr. Clerk?

PRESIDENT: Except Senator Schmit's....

CLERK: I have two...both offered by Senator Nichol, Senator, that I understand Emery has and he's ready to deal with those.

SPEAKER MARVEL: Okay, I think in fairness to those who have motions, they should be processed now with the understanding that if they are not on the E & R list there is a great chance that they won't go through before noon. But I think we ought to go ahead and process them, and either vote them up or down, and then proceed to the resolutions.

PRESIDENT: All right. We'll take the first motion on the desk then, Mr. Clerk. What bill is that? Is that the....

CLERK: Mr. President, Senator Nichol moves to return LB 378 to Select File for a specific amendment.

PRESIDENT: The Chair recognizes Senator Nichol on LB....
