LR 1

Were we going to put their name on the door or have their picture painted and put inside or what were we to do with this other than....

SENATOR NEWELL: Yes, I will refresh your memory. The resolution which the Clerk read before is found on, the Clerk, Mr. Clerk, the resolution is found on what page?

CLERK: The resolution Senator or your report?

SENATOR NEWELL: The resolution, not the report.

CLERK: The resolution is on page 74 of the Journal.

SENATOR NEWELL: Page 74 of the Journal Senator Nichol but I will explain that if you do not wish to turn to that page. The recommendation is that we will, the Exec Board will finance plaques to be hung at the doors and also we will retain the numbering system for the doors so that we can find them in either way. We will also have a picture or a portrait acquired, can be donated or we may in fact have to commission for them as we have discussed previously. The idea there is to try to keep the cost at a minimum. The purpose here is to primarily not commission people to work but instead to recognize these outstanding political leaders in Nebraska history. I hope that is satisfactory.

SPEAKER MARVEL: Senator Kennedy do you wish to be recognized? Motion is the adoption of the LR 1 as explained by Senator Newell. Is that the correct designation? All right, all those in favor of the adoption of that report vote aye, opposed vote no. Have you all voted? We are voting on LR 1 report as presented by Senator Newell. Have you all voted? Have you all voted on the report? Okay, record the vote.

CLERK: 26 ayes, 6 nays on adoption of the LR 1 committee report, Mr. President.

SPEAKER MARVEL: The motion is adopted and the committee report is adopted. Senator DeCamp, do you want to take up LR 56 while we are...

SENATOR DE CAMP: I have a later version. Maybe we can take that up later. I don't seem to have it here so I will pass over LR 56. Let them have a go at that other stuff, 30 or whatever it is.

SPEAKER MARVEL: The Legislature will be at ease for about five minutes and then we will come back with the report.
