SPEAKER MARVEL: Motion lost. Where does that leave us then? Okay, Chair...there are four amendments so the Chair recognizes Senator Duis for a point of personal privilege.

SENATOR DUIS: Mr. Speaker, members of the Legislature, and the news media, and all of our friends in the room. This morning I told you I talked to Senator Hasebroock and he was feeling quite well. Now I have to come to you and tell you he passed away this afternoon and we want his family to know that we are thinking about them. I'm wondering, Senator Kremer, would you say a prayer.

SENATOR KREMER: Our Father, we come into your presence in this hour of sorrow. We would offer a prayer for the family of our beloved friend and Senator, Bill Hasebroock. We all know that life is uncertain and we are happy that we can uphold each other at a time like this knowing that you too are concerned and we thank you that we had this time with Bill through these years. So now our Father, we just offer our prayer for every member of the family and every friend asking for your comfort at this time of bereavement. Now I would ask that all of us spend a moment in silent prayer and pray in our own way at this particular hour. Amen.
