SENATOR FOWLER: And I think with "should" we mean you make an effort to.

SENATOR GOODRICH: Okay.

SPEAKER MARVEL: Is there a motion on the desk? Senator DeCamp, do you have a motion on the desk?

CLERK: Yes, he does, Mr. President.

SPEAKER MARVEL: The Chair recognizes Senator DeCamp.

SENATOR DeCAMP: Well, just kind of a question, I have got an amendment up there to make this July 1, 1980, and I guess you would have to do it on every single rule the way we are going since we are doing them all individually. I was hoping we could figure something a little more expedient, or efficient or whatever. Any suggestions?

SENATOR FOWLER: I guess I would like the opportunity, and maybe I can speak a little quicker, I maybe am going into too much detail, I would like to explain all these so that it is clear that we have done that, and if you want, your motion taken up then but I would ask the opportunity, and I will try and speed it along, to explain the rest of these.

SENATOR DeCAMP: Okay, whatever.

SPEAKER MARVEL: Are you through, Senator DeCamp? Senator Goodrich.

SENATOR GOODRICH: Steve, going back to #7, I think we had better take a look at that, and I am bringing this up now so that overnight you will be able to review it with this thought in mind, the majority of the members of a committee shall constitute a quorum. No problem. No committee shall transact any business other than a committee hearing unless a quorum is present. Now the question is, can you transact any business other than have a hearing? Maybe you had better find some more words to put in there.

SENATOR FOWLER: Okay, why don't Senator Beutler or I will visit with you and we will try and work something out.

SPEAKER MARVEL: Senator Fowler, what is your pleasure? Do you want to proceed or do you want....?

SENATOR FOWLER: I guess I would like to proceed, quickly explaining the rest of them, and then let....I think I owe that to the body.
