

January 11, 1980

LB 261, 724, 222
LR 185

SENATOR HOAGLAND: If there are 13 excused, it means that there are two that aren't here, is that right, Mr. Speaker?

SPEAKER MARVEL: The bill failed to advance. It can be taken up probably Tuesday. Okay?

SENATOR HOAGLAND: Why don't we take it up Tuesday, Mr. Speaker. I think when people have a chance to study that letter and realize what a meritorious bill this is, they won't hesitate to vote for it next Tuesday. I have no problem at all.

SPEAKER MARVEL: Okay, the bill fails to advance and retains its position on General File. Do you have anything to read in, Mr. Clerk?

CLERK: Yes, sir, very briefly, a new bill, LB 724, read title.

Mr. President, Senator DeCamp asks unanimous consent to print amendments to LB 222. (See pages 217 - 222, Legislative Journal.)

New resolution, LR 185, read. (See pages 222 - 223, Legislative Journal.) That will properly be laid over, Mr. President.

SPEAKER MARVEL: Senator Dworak, would you like to move we adjourn until ten o'clock Monday morning, please?

SENATOR DWORAK: Mr. Speaker, I move we adjourn until ten o'clock Monday morning.

SPEAKER MARVEL: All those in favor of that motion say aye, opposed no. Motion carried and we are adjourned until ten o'clock Monday. Thank you once again, the brave souls who stuck this out to the end I appreciate it.
