LR 182

SENATOR CARSTEN: Mr. President and members of the Legislature, I want to add my words of support to this resolution. I am sure as in all sports at the University or wherever it might be, there are many of us that coach the games right along with the coaches and disagree many times with what is being done, but Coach Cipriano has dedicated himself to Nebraska basketball to his full abilities and I think that it is proper and timely, particularly at this time of his physical situation, that we pay honor to him and tip our hats to him as Senator Venditte said. Thank you, sir.

PRESIDENT: Any further discussion on LR 182 on Joe Cipriano? If not, the question then before the house is the adoption of LR 182. All those in favor vote aye, opposed nay. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 40 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: Motion passes. The resolution is adopted. We will next go to LR 183 found in the Journal on page 194. Mr. Clerk, you may read the resolution.
