LB 108, 769-774

this case, not what is needed in this case but what is good for...well it is an old story. When you are losing, you stand on principle. When you are winning, you win and that is the basic difference here. So basically what we are doing here is doing what most people wish. We are trying to resolve the very delicate question. It may not be something in which the Legislature ought to act in every case but in this case it would simplify things greatly and for that reason we need to advance LB 108. Thank you.

SPEAKER MARVEL: The motion is to advance the bill. All those in favor of that motion vote aye, opposed vote no. The motion is to advance LB 108 to E & R for engrossment. That's it. Record.

CLERK: 28 ayes, 6 nays on the motion to advance, Mr. President.

SPEAKER MARVEL: The motion is carried. The bill is advanced. Mr. Clerk, do you have anything to read into the record?

CLERK: Yes, sir. Mr. President, new bills. (Read by title for the first time, LB 769-774 as found on pages 261-263 of the Legislative Journal.)

SPEAKER MARVEL: Senator Wesely, would you like to adjourn us until nine o'clock in the morning?

SENATOR WESELY: Mr. Speaker, I move that we adjourn until nine o'clock tomorrow morning.

SPEAKER MARVEL: Is there any objection? All those in favor of the motion say aye, opposed no. The motion is carried. We are adjourned until nine o'clock tomorrow morning.
