LB 327

Journal last year, and copies will be distributed on the floor, Mr. President.

PRESIDENT: Copies are being distributed, did you say?

CLERK: They will be, yes, sir.

PRESIDENT: Senator Warner, do you want to discuss this amendment to LB 327 while the copies are being distributed?

SENATOR WARNER: Oh, I didn't know you were...I was going to withdraw it.

PRESIDENT: Oh.

SENATOR WARNER: There is a bill that does the same thing in Urban Affairs, and I think it probably will be out and we can treat it separately.

PRESIDENT: So you are withdrawing the amendment, Senator Warner, and Senator Wesely, you...

SENATOR WARNER: For today, at least.

PRESIDENT: All right, the amendments are withdrawn. The next amendment.

CLERK: Mr. President, Senator Duis had amendments printed from last year.

PRESIDENT: Anybody want to assume the Duis amendments? Senator Keyes, did you wish to address the Duis amendments? All right, we will proceed on then to the next amendment. No further amendments. All right, Senator Lamb, what do you wish to do with LB 327?

SENATOR LAMB: Well, Mr. President, in the absence of the Chairman of the committee I am a little bit hesitant to...I don't think we have fully explained the bill here, and I believe I will suggest that we pass over it temporarily until Senator Schmit arrives.

PRESIDENT: Well, all right, any objection to passing... Senator Keyes. Senator Keyes.

SENATOR KEYES: We have accepted the committee amendments to this bill.

PRESIDENT: Yes.
