try to reconstruct what we did at a later time. What my
amendment says, that no business or corporation shall use
a polygraph unless they have stated, unless it relates to
that employer's business or industry and the inquiries
are pertinent to such business and industry, and the questions
to be used are on file with the Attorney General, which
makes some utilization of that polygraph to the point that
it is related to the trucking industry. If they want to know
if a person has had a felony and they have got a hundred
thousand dollars worth of cargo, that's probably a legiti-
mate question. To ask the person if he has been involved
in a facility, that's a legitimate question. There are
some that are not legitimate. These two bills are companion
bills, but what I would suggest now, Mr. President, I would
like to insert that amendment in the Journal and work with
the bill drafter to clean it up so it fits in so it makes
sense. It doesn't make sense without the Standing Committee
amendments. So I would ask to insert it and then I would
ask that we just pass over it for now.

SPEAKER MARVEL: Are you referring to both 166 and 485, 485A?

SENATOR LEWIS: That's right.

SPEAKER MARVEL: Okay, we are passing over those three bills.
The Call is raised, reluctantly. 166, 485 and 485A are
passed over. 228 and 228A are set up for Special Order on
a week from today, and we are now on 283.

CLERK: Mr. President, if I may, Senator DeCamp would like
to have a meeting of the Banking Committee for two minutes
underneath the north balcony.

LB 283 is a bill introduced by the Nebraska Retirement
Systems Committee. (Read title to LB 283.) The bill was
read on January 15, 1979. It was referred to the Retirement
Systems for public hearing. The bill was advanced to
General File. There are committee amendments pending, Mr.
President.

SPEAKER MARVEL: Do you want to handle the committee amend-
ments, Senator Goodrich?

SENATOR GOODRICH: Mr. President, I am just going to suggest
that...

SPEAKER MARVEL: Are you going to handle them all? Senator
Goodrich.

SENATOR GOODRICH: I am going to ask that we not handle anything
