PRESIDENT: Speaker Marvel.

SPEAKER MARVEL: 598 is a short bill. I think we should proceed with that and then we can adjourn.

PRESIDENT: Do you want to take up 598?

SPEAKER MARVEL: Yes, sir.

PRESIDENT: All right, Mr. Clerk, if you will read 598.

CLERK: LB 598 was introduced by Senator Frank Lewis as Chairman of the Executive Board. (Read title to LB 598.) The bill was first read on January 9, 1980. It was referred directly to General File, Mr. President.

SENATOR LEWIS: Mr. President, I will make this brief. Bruce Cutshall of the Revisor of Statutes Office asked us to put this into law. It is an accepted practice with us now but we need the authority of the statutes to continue the practice of copyrighting. I move the advancement of the bill.
