LB 44

were to strike an average, what amount of money would have to be returned to be an adequate rebate?

SENATOR CARSTEN: Somewhere at the level of \$27 or \$28 I would guess would be the adequate. Somewhere in that area would be the average to the best of my knowledge.

SENATOR CHAMBERS: But it would be more than \$26 for certain?

SENATOR CARSTEN: Apparently, yes, at the moment.

SENATOR CHAMBERS: Thank you, Senator Carsten. As Senator Newell pointed out and I gathered statistics on this a couple of years ago, too, the amount was above \$30 even a couple of years ago but it was at least \$30. I still waited for somebody to stand up here and say that what I said was untrue. If what I said was not untrue, then it must be true and the thing that I said was that the Legislature is lying and playing a trick where the public is concerned. I don't have anything else to say.

SPEAKER MARVEL: The motion is the Chambers amendment to the Maresh amendment to LB 44. All those in favor vote aye, opposed vote no. It is a majority of those voting. Have you all voted? Senator Chambers.

SENATOR CHAMBERS: Let me save time and ask for a Call of the House now.

SPEAKER MARVEL: The question is, shall the House go under Call? All those in favor vote aye, opposed no. Record.

CLERK: 13 ayes, 0 nays to go under Call, Mr. President.

SPEAKER MARVEL: The House is under Call. All legislators please take their seats, unauthorized personnel please leave the floor, and record your presence. Will those of you who have your lights on, please turn them off? The House is under Call. All legislators must be in their seats. Please record your presence. How many excused? While we are waiting for other legislators to get in, in the North balcony there are 13 seniors from Bruning High School, Bruning, Nebraska. Will you please raise your hands so we can welcome you to the Unicameral. There are four excused. Senator Schmit, Senator Beutler, Senator Kremer, Senator Chronister, Senator Goodrich, Senator Fitzgerald, Senator Wagner, Senator Kelly, Senator Clark. Where is the Sergeant at Arms? I am going to read off the ones who are not here. Will you
