of those that have a very similar purpose or philosophy to the Home Extension Club?

SENATOR WAGNER: I would imagine. There is a hundred and nineteen. You've got the American Legion, the V.F.W., just a whole series of them.

SENATOR JOHNSON: Do you figure the philosophy or purpose of this organization is about the same as some of those of the existing hundred and nineteen exempted corporations?

SENATOR WAGNER: I think so because you've got literally everything in there, Senator Johnson.

SENATOR JOHNSON: Right. Thank you, Senator Wagner.

SPEAKER MARVEL: Senator Merz.

SENATOR MERZ: Mr. President and members, I would like to ask Senator Wagner a question.

SPEAKER MARVEL: Senator Wagner.

SENATOR WAGNER: Go ahead, Senator Merz.

SENATOR MERZ: How much revenue will we lose in regard to this?

SENATOR WAGNER: Right at this time, Senator Merz, I don't know if you would lose any revenue. These people are just operating through all the counties, Extension Clubs.

SENATOR MERZ: In other words, it just makes it more legal from what they have been doing then?

SENATOR WAGNER: Probably would.

SENATOR MERZ: Thank you.

SENATOR WAGNER: It would be no different than the American Legion, the V.F.W., the Phi Kappa Psi, it just...there is a hundred and nineteen of these and if you care to, take a look at the bill and you can see all the numbers that are there.

SENATOR MERZ: Well, all right, thank you.

SPEAKER MARVEL: Do you wish to close, Senator Wagner?

SENATOR WAGNER: I don't have any closing. I would just suggest we move the bill.
