

think? And he said, I am certainly not going to suggest how you vote but, and listen to this, the troopers, the State Patrol, have never used studded snow tires. The State Patrol have never used studded snow tires. Now this was enough to convince me that I think we can get along, I can get along without them if the State Patrol don't think they are necessary enough to use. I think that is overwhelming evidence that we can for the sake of the huge expenditures that we are making for roads and road improvement now that this bill should move on and should be passed.
