All legislators please be in their seats. Unauthorized personnel please leave the floor. The motion before the House is the DeCamp amendment to 742 as found on page 611 of the Journal. Call the roll.

CLERK: (Roll call vote taken as found on page 862 of the Legislative Journal.) 18 ayes, 25 nays, Mr. President.

SPEAKER MARVEL: The motion lost. Any other motions.

CLERK: Mr. President, Senator DeCamp moves to indefinitely postpone. That would properly lay the bill over unless we suspend the rules and take up the kill motion today.

SENATOR DeCAMP: Do you want to suspend it? I am willing. Whatever you want.

SPEAKER MARVEL: Well, I will voice my opinion. I think we have had a lot of debate on this. We have made a decision. We ought to either vote up or down. Otherwise we go through the same procedure tomorrow. We cannot afford to do this any more. You make a motion to suspend the rules?

SENATOR DeCAMP: Yes.

SPEAKER MARVEL: And vote on the kill motion now. Is that the motion?

SENATOR DeCAMP: Yes.
