LR 203, 205

itself. It indeed was a miraculous feat particularly on the part of the U.S. Hockey Team. I think it all serves to mind that for those of us who maybe didn't know very much about hockey and perhaps our appreciation for hockey wasn't what it is today. I know for one person, I can only speak for myself, and my interest in hockey has increased significantly and I think that I echo the sentiments of many Americans across this country. I guess in closing, Mr. Chairman and members of the Legislature, if the President of the United States can invite these people to the White House at taxpayers expense, then I would think this is the least we can do.

PRESIDENT: Any further discussion on LR 203? The question then is the adoption of LR 203. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 31 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: The motion carries and LR 203 is adopted. Proceed then with LR 205.

CLERK: Mr. President, LR 205 was introduced by Senator Nichol, Dworak, Barrett, Burrows and Merz. It is found on page 883 of the Journal. (Read LR 205.)

SENATOR NICHOL: Mr. Chairman, members of the Legislature, at times we talk on this floor about problems having to do with adults and youth but here is one time when we can extend congratulations to those youth who have extended themselves, practiced hard, worked hard to achieve and in this case, in Class A, the Nebraska wrestling championship in Class A went to Columbus, Class B to Gering, Class C to Wymore Southern and Class D to Elmcreek and this is to congratulate those youth as well as their coaches and to send a letter of congratulations to each coach of those winning teams. I urge your support of this resolution.

PRESIDENT: Is there any further discussion on LR 205? Hearing none, I guess that is the opening and the closing, Senator Nichol. The question then is the adoption of LR 205. All those in favor vote aye, opposed nay. Record the vote.

CLERK: 31 ayes, 0 nays on adoption of the resolution, Mr. President.

PRESIDENT: The motion carries and LR 205 is adopted. We will now proceed with agenda item #6, introduction of new bills and we will start with request #1602.
