SPEAKER MARVEL: The motion is carried. The committee amendments are adopted. Now, Senator George.

SENATOR GEORGE: Mr. President, now I move the advancement of LB 717 to E & R initial as amended. The bill is mostly just a technical clarification and therefore, a continuation of last year's LB 146. Senator Wesely was connected with that bill and he also of course showed a strong interest in this one so if there is any further explanation of this bill needed, I would like to turn it over to Senator Wesely.

SPEAKER MARVEL: Senator Wesely.
