

March 17, 1980

LB 717

be to get that on a more commercial basis and not have individuals involved. I have no objection to the three. That is perfectly all right with me but understand that the full thrust of this amendment is that people who desire to get their license plates of automobiles that they own as a person or as a corporation, that they can get all of those licenses in any given month, February, March, April, June, July, any time. They must continue to keep that month but the object is to do away with having...being necessary for everybody, particularly those who have many, many vehicles to register so that they don't have to do them all in January which is the case now and the thrust of this amendment is to spread it out over other months. If you desire the three, that is perfectly all right with me but understand what we are doing with the amendment.

SPEAKER MARVEL: Senator Johnson.

SENATOR JOHNSON: I had a question of Senator Lamb, Mr. Speaker, and the question is this if Senator Lamb would yield.

SENATOR LAMB: Yes, sir.

SENATOR JOHNSON: In your part of the state, Senator Lamb, do ranchers and others...must they travel to the county seat to register their vehicles or instead can they do it by mail as we can in Omaha?

SENATOR LAMB: They can do it by mail. I would say very few people do do it by mail.

SENATOR JOHNSON: Is it because they customarily go to the county seat on regular occasions to shop and the like and they can take care of it when they go on in?

SENATOR LAMB: I suspect that is a leading question but the answer is yes.

SENATOR JOHNSON: Thank you. That is all I have.

SPEAKER MARVEL: We are dealing with the Lamb amendment to the Wesely amendment. Senator Lamb, do you have any close?

SENATOR LAMB: My only close, Mr. Chairman, would be to emphasize that...I would strenuously oppose the bill if the three is changed to five, so I would support Senator Wesely's amendment but otherwise I would have to oppose it because I know that many many people would be very unhappy. They would have three vehicles out there and if
