LB 822

particular measuring device that we are talking of here this afternoon.

SENATOR CHAMBERS: Thank you, Senator Venditte, and it is because I don't have much time left that that's sufficient. If you can see that there are people who are paid to apprehend criminals whether they be big ones or little ones and they have doubts about the tools that the state is putting into their hands, how can we consider ourselves responsible to ignore the concerns expressed by these individuals? We don't want lazy law enforcement. We don't want slipshod law enforcement. We don't want selective or unfair law enforcement. But some of the things I have heard here today have boggled my mind. You have said that the State Patrol and the manufacturers' recommendations about how you make a proper clocking should not be required in Nebraska.

SENATOR CLARK: You have one minute, sir.

SENATOR CHAMBERS: You are saying that if you punish the innocent, that is all right. It is so incredible that I have said about all that I can find to say, but I feel totally unfulfilled, totally undelivered of the feelings that I have at this point. But let me tell you that I am more troubled by some of the things that I have heard here today than I am about the fate of this particular bill. Nevertheless, I do hope you will vote to advance what is left of it.

SENATOR CLARK: The question before the House is the advancement of 822 to E & R. All those in favor vote aye. All those opposed vote nay.

CLERK: Senator Clark voting aye.

SENATOR CLARK: Have you all voted on the advancement of 828....822, pardon me.

SENATOR CHAMBERS: Mr. Chairman, may I ask for a Call of the House?

SENATOR CLARK: Call of the House has been asked for. All those in favor vote aye. All those opposed vote nay. Record the vote.

CLERK: 10 ayes, 0 nays to go under Call, Mr. President.

SENATOR CLARK: The House is under Call. All legislators will
