

band together, they sign up and so they are sprayed just as the big ranchers are also sprayed. A comment to Senator Haberman. I think about half of that four million dollars is, or half of that eight million dollars or about four million dollars is in a bill that Senator Goodrich and Senator Chambers have in regard to welfare, of the money that is available on the floor. But at this point we are not talking about more money, we are just talking about the money that is in the budget bill right now. I'm merely asking the body to continue the distribution that has been used in the past, the one-third, one-third, one-third share. Last year Nebraska spent about \$400,000 on this program, although \$800,000 was appropriated by this body. That money, as Senator Schmit mentioned comes back, comes back to the general fund if it is not used. It will not be used if the grasshoppers are not there. So, by simple explanation of this is that we stay with the same share of funding that we have had in the past and that we do not change that. I ask that the amendment be attached to the bill.

SENATOR CLARK: The question before the House is the adoption of the Lamb amendment. All those in favor vote aye, those opposed vote nay.

ASSISTANT CLERK: Senator Clark voting aye.

SENATOR LAMB: Mr. Chairman, I'm going to ask for a Call of the House and a roll call vote just for fun.

SENATOR CLARK: A Call of the House has been asked for. All of those in favor of a Call of the House vote aye. All those opposed vote nay. Why don't you clear the board. Lets check this over. All right, all of those in favor of a Call of the House vote aye, those opposed vote nay.

ASSISTANT CLERK: 14 ayes, 11 nays to go under Call, Mr. President.

SENATOR CLARK: The House is under Call. All senators return to their desks. All unauthorized personnel will leave the floor. Check in please.
