CLERK: 29 ayes, 0 nays, to cease debate, Mr. President.

SPEAKER MARVEL: Okay, Senator Lewis, do you wish to close on your amendment?

SENATOR LEWIS: Mr. Chairman, this amendment is offered because of my good friend, Senator Keyes. If you want to know my first preference is to leave the bill as it is and vote it out but, again, I was trying to be halfway a gentleman about it in terms of a very delicate problem in terms of the good Senator from Sarpy County who has been a good friend of mine and so I would ask you to adopt it. If you don't, we will move it on and read the bill.

SPEAKER MARVEL: Okay, the motion is the adoption of the Lewis amendment to 743. All those in favor vote aye, opposed no. We are voting on the adoption of the Lewis amendment. If you would care to vote, it would be appreciated so we can get to something else.

CLERK: 26 ayes, 0 nays on the motion to adopt the Lewis amendment.

SPEAKER MARVEL: The motion is carried and the amendment is adopted. The motion is now to readvance the bill and a machine vote has been requested. All those in favor vote aye, opposed vote no. Advancing the bill. Have you all voted? Have you all voted? Record.

CLERK: 25 ayes, 1 nay, Mr. President, on the motion to advance the bill.

SPEAKER MARVEL: The motion is carried. The bill is advanced. Now the Chair would suggest that since the Committee on Committees will be out for a short time that we move to Select File and hope that the committee will be back shortly. Senator Marsh.

SENATOR MARSH: Thank you, Mr. Speaker, and I would urge that the members of the Committee on Committees walk straight down to our hearing room so we can get our hearing over and come back as fast as possible.

SPEAKER MARVEL: We are moving to Select File. There is an amendment still pending on LB 848 so we will pass over that unless there is objection and go to LB 789. While the Legislature is in session and capable of transacting business, I am about to sign and I do sign LB 82 (sic 882), 616, 646, 660, 672, 672A, 725, 733, 769, 770, 771,
