LB 873

suggest that we should keep it that way, keep these funds separate and finance these recreational scenic roads from the fund which I think is administered by the Game Commission and finance those roads in this manner, keep this tax money that has been historically used for farm to market roads, from roads between here and Omaha, all the other roads in the state and so I would oppose the bill and I would ask that there be a machine vote, Mr. Chairman.

SPEAKER MARVEL: Senator Keyes, do you wish to speak to the advancement of the bill?

SENATOR KEYES: Yes, just in answer to my good friend Senator Lamb. We do have recreation roads but they are within the confines of state parks and state recreation areas and money from that cannot be used to go outside of those confines.

SENATOR CLARK PRESIDING

SENATOR CLARK: Senator Haberman, for what reason do you arise?

SENATOR HABERMAN: A point of order.

SENATOR CLARK: What is your point?

SENATOR HABERMAN: My point is that Senator Hoagland says that they took out the words "other interested party" but on page 1058 of the Legislative Journal he put them back in.

SENATOR CLARK: Senator Hoagland.

SENATOR HABERMAN: It says on page 10, line 6 following the word "hardship" insert the following "other interested party". Now you explain to me, if you can, Senator Hoagland, how you can do one thing and then do the other and then turn it back the other way and all this sort of stuff.

SENATOR CLARK: Do you have an amendment to take that out, if you want it out?

SENATOR HABERMAN: Yes, I had an amendment to take it out but he said it was out so I withdrew my amendment. So I want my amendment back in now.

SENATOR CLARK: Your amendment went to a different place in the bill. If you want an amendment up there, put it
