LB 908, 924

SPEAKER MARVEL: Yes, sir,

SENATOR DWORAK: Thank you.

SPEAKER MARVEL: Are we ready on 908, Mr. Clerk?

CLERK: Yes, sir. (Continued to read LB 908 on Final Reading.)

SPEAKER MARVEL: All provisions of law having been complied with, the question is, shall the bill pass. Those in favor vote aye, opposed vote no, LB 908. We are voting on LB 908 on Final Reading. Have you all voted? Record the vote.

CLERK: (Read record vote as found on pages 1490-1491 of the Legislative Journal.) 45 ayes, 0 nays, 4 excused and not voting, Mr. President.

SPEAKER MARVEL: The bill is declared passed on Final Reading. Senator Keyes, do you have proposed amendments for the next bill?

SENATOR KEYES: They are not drafted yet and I would like to hold it for at least twenty-four hours, put it on Final Reading tomorrow...we'll have it found...we've got to decide what kind of an engineer it is and maybe it is in the statute and maybe it isn't but we will take care of it, and thank you, I would like to hold it until tomorrow.

SPEAKER MARVEL: No objections, so ordered.

SENATOR JOHNSON: I object to passing over this bill. This bill was in our committee, the Government, Military and Veterans Affairs Committee, and ought to be heard today and passed upon today and not held over.

SPEAKER MARVEL: Senator Keyes, do you want to make a motion?

SENATOR KEYES: Senator Johnson, the only reason is because we have had some calls. They are wondering whether the engineer, highway engineer, should be classified as more than just an engineer. We think it is in the other section of the statute but we're not positive. We would like to do it that way. I don't like to oppose you but I will make a motion that we hold it over until tomorrow.

SPEAKER MARVEL: Senator Stoney, do you wish to be recognized on the motion to hold the bill over?

SENATOR STONEY: Mr. Speaker, members of the Legislature, for explanation purposes, I was contacted last evening
